Campbell County

County Departments:

Police

Begining July 8,2002, all Police and Fire dispatches will be handled by the new Campbell County Dispatch Center, located in the Newport City Building. Newport and Ft Thomas will cease dispatching. They will, however, still be dispatched on thier own (old) frequencies. So

the only difference you will notice will be the dispatchers voice.

Fire and Emergency Services

Eastern Campbell, Camp Springs, and Silver Grove VFD's have merged to form the new Campbell County Fire District #1. They will continue to keep thier respective department names and numbers. Each of the Cheifs have been appointed as Deputy Cheifs in charge of thier respective Stations.

On July 1st, Bellevue and Dayton's fire departments merged to form the new entity called the Fire Department of Bellevue and Dayton. FDBD will be governed by a fire board consisting of 2 council members from each city and 1 resident-at-large from each city. FDBD will use the 200 series of unit numbers. 500 series will no longer exist.

Cold Spring and Highland Heights Fire Departments have merged forming a new entity called "Central Campbell County Fire Department". Cold Spring is station 1, Highland Hgtsis station 2. The sub-station that Highland Heights had at the city building (1 pumper) on John's Hill Road is no more. The truck was moved to the Highland Heights station. This happened effective July 1.

This new dept. will continue to use the same unit designations (ie. 400 and 700) to denote the units in each station. Their ambulances are "Squad 1" (Cold Spring) "Squad 2" (High Hgts) and "Squad 3" (Cold Spring Reserve).
