

Global People's Petition for Wildlife

We, the undersigned, call upon the leaders of all the world's nations to ensure the conservation and protection of our World's wildlife.

We call upon world leaders to act, immediately, to eliminate the illegal trade in wildlife and devote far greater efforts to ensure the protection of wilderness areas.

We most strongly and urgently urge the leaders of all developed nations to provide greatly increased financial assistance to poorer nations to aid them in their conservation priorities.

We personally pledge never to knowingly purchase or consume illegal wildlife parts or products.

We say to our leaders: if we all come together we can ensure the children of future generations can experience the beauty and benefits of our natural world – when we all come together, we can do anything.
