Two new commissioners were installed at the December monthly meeting of the Jesup Housing Authority Board of Commissioners. Charlotte Beason and Sadie Jackson were appointed to the Board by Mayor Herb Shaw, joining fellow commissioners Leslie C. Cogdell, Jr., Chairman Clifford Davis, Jr., and Vice-Chairman Fred Donica.

The Jesup Housing Authority Board of Commissioners engage in a number of activities as they make policy and help to further the housing authority's goals. They attend meetings and participate in board discussions and decisions, establish policies on personnel, grievance procedures, procurement, admissions, evictions, and qualifications which residents must meet to remain in public housing. Working with the authority's executive director and staff, commissioners ensure that board policies are applied in daily operations. Commissioners also interact with local, state, and federal governments to assure that residents are well-served and nurture positive community relations for the authority.

The Jesup Housing Authority and its Board of Commissioners are committed to achieving excellence in providing affordable housing for low and moderate income persons through effective management and wise stewardship of public funds and partnerships with residents and others to enhance the quality of life of its residents and creating a positive living environment for residents of all ages, where people can live, learn, and grow to be productive and responsible citizens. The JHA Board of Commissioners meet on the third Thursday of each month at 10:00 AM at the JHA Central Office, located at 327 Bay Acres Road.
