There will be a Community Crime-Watch Meeting @ 7:00 on Thursday evening, October 20th, 2005 at St. Luke United Methodist Church on Shamrock. Make every effort to attend, we need your involvement! On the agenda this week is an appearance by one of CMPD's 911 supervisors – bring questions & comments, criticisms & compliments! Try to get there a bit early as there is a CCH meeting at 7:30, although we have permission from Barbara to overlap a bit this time.

Thanks to Pikes Pharmacy for donating their copy machine & supplies for the newsletter! In turn please support your local pharmacy & also other businesses in the neighborhood- we're all in this together! They have also provided a link to our web site!
