**There will be a Community Crime-Watch Meeting @ 7:00 on Thursday evening, Jan. 19th , 2006 at St. Luke United Methodist Church on Shamrock.** This will precede the CCH neighborhood meeting. Make every effort to attend; we need your involvement!

**AGENDA**

- (A) Discussion of the recent surge in crime, specifically burglaries occurring in our neighborhood – why this is happening & steps we can take as a neighborhood to address problem properties through a variety of approaches including zoning complaints, nuisance complaints, as well as 911 calls.
- (B) Discussion by Officer Farley of suggestions of how to keep your residence more burglary proof. (home security systems. power & phone line back up, engraving possessions, & other common sense ideas). I will attempt to have a home security representative there to answer any questions you might have.
- (C) Review of recent crime statistics & related suspicious activity in the neighborhood.
- (D) A farewell to our previous resource officer, Andy Foster, who continually went above & beyond the call of duty to help our community! Many thanks!
- (E) Open discussion @ the end of the meeting.

Thanks to Pikes Pharmacy for donating their copy machine & supplies for the newsletter! In turn, please support your local pharmacy & also other businesses in the neighborhood- we're all in this together! They have also provided a link to our web site!
