## **Rose Photography**

### ***Rules for Exhibitors***

1. All entries must be received no later than 8 a.m. on Saturday, October 7, 2006. Entries may not be removed before 4 p.m. on Sunday, October 8, 2006.
2. All photographs must include roses. Roses must have been outdoor-grown (i.e., not florists' roses) and of good quality; the exhibitor need not have grown them.
3. The photograph must be the work of the exhibitor. Matting, mounting, and printing may be done professionally.
4. Exhibitors are limited to two entries per photography class, a maximum of eight entries.
5. Each entry must be labeled on the back with exhibitor's name, address, and class number, and the top of the photograph must be indicated. The exhibitor's name must not appear on the front of the exhibit.
6. Photographs must be 8"x10", mounted or window-matted (with photo affixed to mat), on 11x14" mats. No frames, glass, plastic, or frame clips are allowed.
7. Cropping of an image is permitted in all classes. Technical manipulation, either in the darkroom or by computer, must be the work of the exhibitor.

One blue, red, yellow, and white ribbon may be awarded in each class. Keeper awards will be awarded to the blue-ribbon entry in each class.
